**This is not a contract. This benefits summary presents plan highlights only. Please refer to the policy/ plan documents, as limitations and exclusions apply. The policy/ plan documents control in the event of a conflict with this benefits summary.**

- (1) Your group's benefit period is based on a Contract Year. The Contract Year is a consecutive 12-month period beginning on your employer's effective date. Contact your employer to determine the effective date applicable to your program.
- (2) The Network Total Maximum Out-of-Pocket (TMOOP) is mandated by the federal government. TMOOP must include deductible, coinsurance, copays, prescription drug cost share and any qualified medical expense.
- (3) Services are provided for acute care for minor illnesses. Services must be performed by a Highmark approved telemedicine provider. Virtual Behavioral Health visits provided by a Highmark approved telemedicine provider are eligible under the Outpatient Mental Health benefit.
- (4) Services are limited to those listed on the Highmark WV Preventive Schedule (Women's Health Preventive Schedule may apply).
- (5) Benefits for emergency ambulance services rendered by a non-network provider will be subject to the same cost-sharing amount, if any, that is applicable to network services. The member will be responsible for any amounts billed by the non-network provider for emergency ambulance services that are in excess of the amount that Highmark WV pays.
- (6) 30 visit maximum per event for combined physical therapy, occupational therapy and spinal manipulations
- (7) Coverage for eligible members to age 18. After initial analysis, services will be paid according to the benefit category (e.g. speech therapy). Treatment for autism spectrum disorders does not reduce visit/day limits.
- (8) Treatment includes coverage for the correction of a physical or medical problem associated with infertility. Infertility drug therapy may or may not be covered depending on your group's prescription drug program.
- (9) Medical Management & Policy (MM&P) must be contacted prior to a planned inpatient admission or within 48 hours of an emergency or maternity-related inpatient admission. Please note that certain outpatient procedures also require prior authorization. Be sure to verify that your provider is contacting MM&P for precertification. If this does not occur and it is later determined that your services are not medically necessary or appropriate, you will be responsible for payment of any costs not covered.
- (10) The Highmark formulary is an extensive list of Food and Drug Administration (FDA) approved prescription drugs selected for their quality, safety and effectiveness. The formulary was developed by Highmark Pharmacy Services and approved by the Highmark Pharmacy and Therapeutics Committee made up of clinical pharmacists and physicians. All plan formularies include products in every major therapeutic category. Plan formularies vary by the number of different drugs they cover and in the cost-sharing requirements. Your program includes coverage for both formulary and non-formulary drugs at the copayment or coinsurance amounts listed above.

Under the soft mandatory generic provision, when you purchase a brand drug that has a generic equivalent, you will be responsible for the brand-drug copayment plus the difference in cost between the brand and generic drugs, unless your doctor requests that the brand drug be dispensed. Anti-Cancer medications orally administered or self-injected. Deductible, copayment and coinsurance amounts for patient administered anti-cancer medications that are covered benefits are applied on no less favorable basis than for provider injected or intravenously administered anti-cancer medications.

(11) Unless otherwise provided for benefits for emergency ambulance services rendered by a non-network provider will be subject to the same cost-sharing amount, if any, that is applicable to network services. The member will be responsible for any amounts billed by the non-network provider for non-emergency ground and water ambulance services that are in excess of the amount that Highmark WV pays.

 **The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. Important Questions	Answers	Why This Matters:
<b>What is the overall <u>deductible</u>?</b>	\$4,000 individual/\$8,000 family <u>network</u> . \$12,000 individual/\$24,000 family out-of- <u>network</u> .	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
<b>Are there services covered before you meet your <u>deductible</u>?</b>	Yes. Office visits, <u>preventive care services</u> , <u>emergency medical transportation</u> , <u>urgent care</u> , and <u>prescription drug</u> benefits are covered before you meet your <u>network deductible</u> .  <u>Copayments</u> and <u>coinsurance</u> amounts don't count toward the <u>network deductible</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .
<b>Are there other <u>deductibles</u> for specific services?</b>	No.	You don't have to meet <u>deductibles</u> for specific services.
<b>What is the <u>out-of-pocket limit</u> for this <u>plan</u>?</b>	\$500 individual/\$1,000 family <u>network out-of-pocket limit</u> , up to a total maximum out-of-pocket of \$8,150 individual/\$16,300 family. \$1,500 individual/\$3,000 family out-of- <u>network</u> .	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
<b>What is not included in the <u>out-of-pocket limit</u>?</b>	<u>Network</u> : <u>Premiums</u> , balance-billed charges, and health care this <u>plan</u> doesn't cover do not apply to your total maximum out-of-pocket.  <u>Out-of-network</u> : <u>Copayments</u> , <u>deductibles</u> , <u>premiums</u> , balance-billed charges, <u>prescription drug</u> expenses, and health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .

<b>Will you pay less if you use a network provider?</b>	Yes. See <a href="http://www.highmarkbcbswv.com/find-a-doctor">www.highmarkbcbswv.com/find-a-doctor</a> or call 1-888-809-9121 for a list of <u>network providers</u> .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
<b>Do you need a referral to see a specialist?</b>	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

All **copayment** and **coinsurance** costs shown in this chart are after your overall **deductible** has been met, if a **deductible** applies.

About these Coverage Examples:

**This is not a cost estimator.** Treatments shown are just examples of how this plan might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your providers charge, and many other factors. Focus on the cost sharing amounts (deductibles, copayments and coinsurance) and excluded services under the plan.
